

## Know, Share, Do – Toolkit #2

---

The materials below are designed to support and equip you with the information you need to engage with your team members regarding upcoming changes for WMCG.

### KEY INFORMATION LEADERS NEED TO KNOW.

- We remain focused on upholding our organizational values and objectives and communicating what we know as quickly as possible so that all team members have timely access to information.
- You will receive your Wellstar OneID username soon – the OneID helps the organization manage your access to tools and systems.
- Devices (Desktops/Laptops) will be updated or swapped starting in October. Non-clinical early adopters will start receiving devices in August.

### INFORMATION LEADERS NEED TO SHARE WITH THEIR TEAMS.

- Instructions on how to claim your new Wellstar OneID will be sent to your current @augusta.edu or personal email account between 2/27-3/11.
- Team members will use the Wellstar OneID to access applications and devices as they go live.
- The video recordings of the kickoff and breakout sessions from Epic Orientation Week are viewable on the WMCG Intranet. Please find the link [HERE](#)

### TAKE ACTION ON THESE IMPORTANT ITEMS.

- Claim your new Wellstar OneID account by following the steps listed in the 'Welcome to Wellstar OneID' email coming between 2/27-3/11
- Distribute the monthly toolkit from the link [HERE](#) with additional information as you see fit
