

Enablement Toolkit

February 2024

Welcome to Wellstar OneID!

Wellstar OneID brings our technology systems together to enable a seamless and unified experience. Claiming your OneID is the first step in gaining access to Wellstar technology and tools.

Getting Started

Over the next two (2) weeks (2/27-3/11) you will receive an email titled 'Welcome to Wellstar OneID.'

Please use the links within the email to do the following:

- Create a strong and **memorable** password
- Register your OneID by providing:
 - **Alternate phone number** and **personal email** ⚠
 - **Answers to security questions** for password reset

Please provide a personal email account (i.e., @gmail) as your recovery email for future password resets. Do not list your @augusta.edu email as your alternate address.

Note: If you already have a Wellstar OneID then you will not receive this email and no action is needed

What are my next steps with Wellstar OneID?

Next Steps

- **Save your new Wellstar OneID username and password.** You will use these to access applications and devices as they go live for WMCG.
- You will receive weekly reminder emails if you do not claim your Wellstar OneID.

Stay tuned for more information to come on your new Wellstar email and other changes!

What if I need help?

For issues with OneID, please contact the **Wellstar OneID Implementation Support Lines** at **470-610-0720**

Wellstar OneID: *Actual* Email

Team members should expect an email with their Wellstar OneID usernames between 2/27 and 3/11 which will include steps to set up their Wellstar network account

Step1: Click [here](#) to create your password

Step2: Click [here](#) to complete the WellStar OneID registration process.

Thank You,
The Wellstar IAM Team

Note: If you already have a Wellstar OneID then you will not receive this email and no action is needed

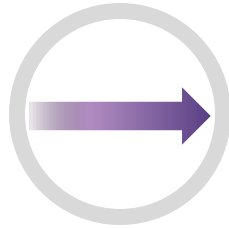

Communications Overview

How you should expect to hear from us

Communications at a cadenced schedule empowers us to be more proactive as opposed to reactive to the ongoing change

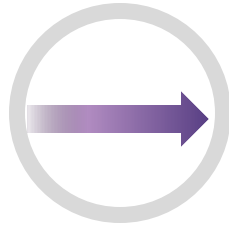

We want to foster a culture of transparency and appropriate communication messaging for team members

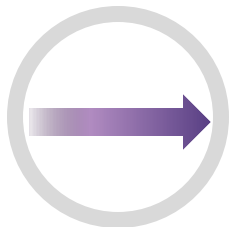

Know-Share-Do and Monthly Enablement Toolkits

For managers and above to distribute to their team members; content will be posted for Team Members to access

Ad-Hoc Communications

For important communications sent to targeted team members to keep them informed

Monthly Transformation Updates

For managers to connect and share relevant information about the transformation

Top Things to Share – February 2024

We are developing the strategy and plans for progressive implementations to occur in 2024 and beyond. Initial efforts will primarily be behind the scenes (e.g., connecting Wellstar and WMCG networks).

Integration Objectives and Community Benefits

Enables our ability to **expand the clinical platform**, including a new state-of-the-art hospital in Columbia County, using the newest technology and equipment

Supports a commitment to provide **high-quality healthcare services** locally

Provides resources to enhance Augusta University's recognition as a **best-in-class research university**

We welcome the opportunity to **further serve our community** with increased commitment to medical training and research.

Communications, People and Culture

We're creating an **integration focused** communications plan, and will provide updates regularly (e.g., toolkits, ad-hoc email communications, town-halls) to keep you **enabled and informed**.

We plan to go-live with and **implement Epic Electronic Health Record (EHR) across WMCG by 10/1/24**. Please stay tuned to learn more about Epic and how it may impact you.

We plan to **go live with Workday / UKG on 8/5/2024**. Please stay tuned to learn more about Workday/UKG and how it will impact you.

The WMCG team strives to continue being a **premier academic program** in the Southeast maintains a **“People First” culture**
