 Integration Resources	Find answers to your questions about the integration	Check out the latest resources available [Slide 14]

Refresher! Our Moments That Matter

Key Integration Milestones

This month, register your WMCGH team members for Epic Training and remind them to prepare for the M365 go-live and complete the Workday/UKG training.

Go-Live

Have you claimed your Wellstar OneID?

Activating your OneID *now* is the first step to accessing Wellstar applications *later this year*.

Our Moments that Matter

84% of team members have set up their Wellstar OneID as of 6/27

Let's make our way to 100%!

Steps to activate your OneID

- 1 Find most **recent email** from oneid@wellstar.org
Hint: It may be in your spam folder
- 2 **Follow the instructions** in the email
- 3 Provide your **personal email** and **cell phone number** when activating

Around one week after you claim your OneID, you will receive your future Wellstar email address from wellstarmfasupport@wellstar.org
You will not have access to Wellstar applications immediately upon activating your OneID

For issues with OneID, please contact **Wellstar Integration Support** at 470-610-0720

Have you registered for multi-factor authorization (MFA)?

Install and register the Microsoft Authenticator app for secure access to the Wellstar network when we migrate

Our Moments that Matter

- Create Wellstar OneID
- My @Wellstar email
- Enroll in 2024 Benefits*
- Get New Badges
- Clock In & Approve Time
- Check Pay Slip & Order Supplies
- Epic Training & Activation
- Enroll in 2025 Benefits*
- Swap Devices

45% of team members have registered for MFA as of 6/25

We have some ways to go, but we can do it!

Steps to register for MFA

- 1 Go to <https://welcometowellstar.com/mfa> for instructions based on your mobile device.
- 2 Install the Microsoft Authenticator app on your mobile device 
- 3 Register for MFA on your computer from an In Private (Edge) browser window then configure your mobile device.

Scan Here!

To register for MFA, your username is your Wellstar email address – unless previously communicated, your email is not yet active. You will also need your OneID password.

What to expect through the M365 migration

Team members will receive weekly emails to help prepare and guide them through the migration.

Our Moments that Matter

Team Members:	Before M365 migration (Now – July 12)	During M365 migration weekend (July 12 5 pm – July 15 8 am ET)	Upon M365 Go-Live (July 15)	After M365 Go-Live (TBD)
WMCGH- Employed with no AU affiliation	<ul style="list-style-type: none"> Complete all the items in the Go-Live Readiness Checklist here. You can continue to access all M365 services and applications as usual. 	<ul style="list-style-type: none"> Refrain from using any M365 applications to prevent disruption in moving your content. Emails and meetings will be migrated to your new Wellstar inbox and calendar. Sharepoint sites and Teams files will be moved. Chat history will not be moved. 	<ul style="list-style-type: none"> Use your Wellstar OneID to log into Outlook, SharePoint, Teams and OneDrive You will no longer have access to your AU email. Any emails sent to your @augusta address will be forwarded to your @wellstar email until 12/31. Inform your contacts of your new email address before then. 	<ul style="list-style-type: none"> Your AU Box, MYFILES (U:),MYFILES (F:) and SHARE (H:) network drives will be moved to your Wellstar account.
AU Employed or Affiliated (including active students)	<ul style="list-style-type: none"> You can continue to access all M365 services and applications as usual. 	<ul style="list-style-type: none"> You can continue to access all M365 services and applications as usual. All content will remain the same. 	<ul style="list-style-type: none"> If you don't already have a Wellstar account, you will receive one for clinical and patient-related content. Use you Wellstar OneID to log in. Continue to use your current AU email, calendar, etc. using your Augusta login credentials 	<ul style="list-style-type: none"> None of your content will move – all will remain on the AU platform.

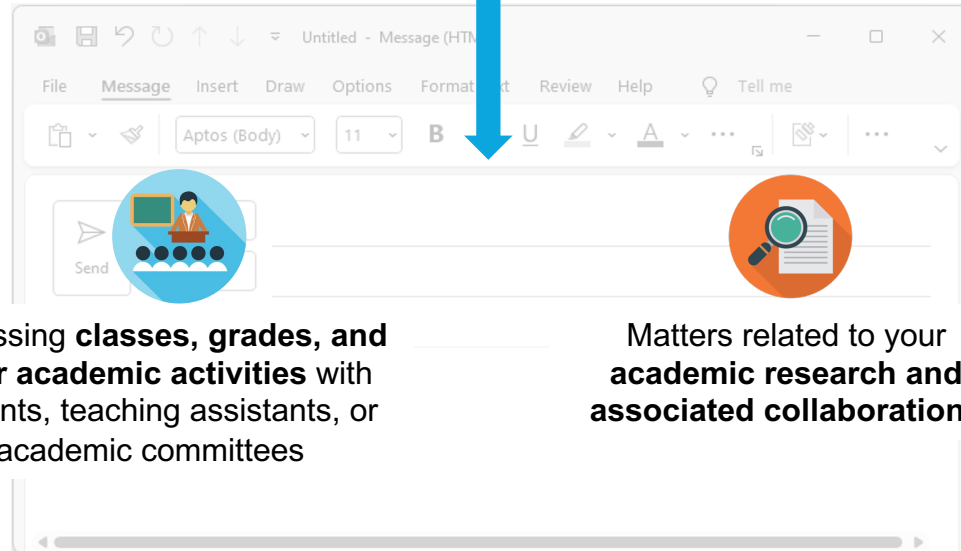

After July 15, when do you use your AU or Wellstar email?

Team members employed or affiliated with AU (including active students) will have two email accounts and calendars to manage, while WMCGH employees will only have their Wellstar account after July 15th.

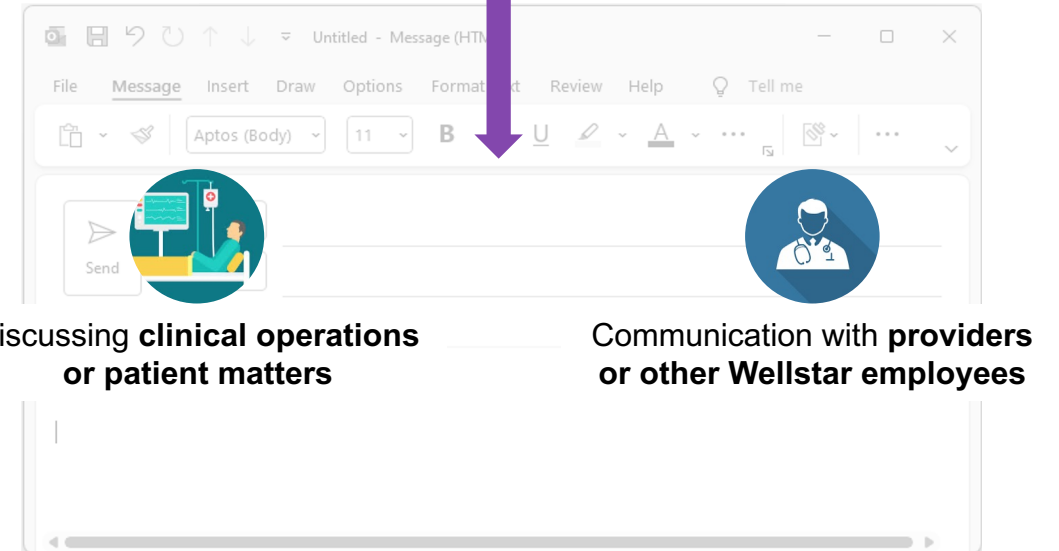

Our Moments that Matter

Keep using your AU email for...

Use your Wellstar email for...

Key Changes with UKG

The transition to UKG will bring changes to how we clock-in, manage time and schedules, and administer pay

Our Moments that Matter

	FROM	TO
Time and Attendance	Clock in/out from clock	Clock in/out from clock or web browser (desktop or phone)
	3 hour on-call shifts	2 or 4 hour on-call shifts based on job/job code
	If you have 2 distinct jobs: enter a code to identify which job clocking into	Choose “department transfer” on clock when clocking in for your secondary job; use transfer on desktop
	Timekeepers and managers are not differentiated roles	Timekeepers and managers will be different roles – both can edit time but only managers can approve time, unless delegated
Delegation	Both timekeepers and managers can approve time	Managers can enable other managers to approve time on their behalf
Pay	Missed time deducted from PTO balance	Missed time deducted from pay unless PTO added by Timekeeper/Manager
Scheduling	Team members that use Clairvia...	Will move to Smart Square
	Exempt staff do not have schedules	Exempt staff will be paid by schedule, which will be automatically populated based on FTE

Key Changes with Workday

Workday allows for more streamlined processes, accessible information, and self-service transactions

Our Moments that Matter

	FROM	TO
Recruiting	Several systems required to interview and hire staff	Fully integrated system to manage recruiting process
	No ability to make referrals for open positions	Self-service feature to refer a strong candidate
	Manual onboarding process	Orchestrated onboarding process with dashboard for new hires
Team Information	Limited information about team members	Accessible analytics about your team
	No centralized view into organization chat	Live organizational structure to see where you fit in the organization
Performance Management	Manual processes for performance reviews	Single system to complete performance review steps
	Difficult to find historical performance ratings	Accessible overall ratings from the past 2 years onward for team members and their manager
	Performance review cycle starts in July	Performance review cycle starts in August
Expenses	Augusta performance rating criteria	Wellstar performance rating criteria
	Sending emails to submit business expenses	Centralized reimbursement requests and virtual payment card expense reports
	Expense reimbursements as separate checks	Expense reimbursements included in paycheck

Workday Cutover: Slow Down or Pause Activities

You must complete certain transactions soon for them to become effective before go-live in August.

Our Moments that Matter

You can no longer:

- Submit **job changes impacting job titles or compensation**, (i.e., reclassifications or salary increases)
- Change/add cost centers or job codes
- Hire new external candidates with a start date prior to August 3. (If offer already accepted/ planned, will occur)
- Add new suppliers / vendors

New requests will be possible in Workday after go-live

Actions pausing shortly include:

- **July 5:** Request critical new **job requisitions** (*new positions and backfills*)
- **July 10:** Complete **self-service transactions**, such as updating contact or banking information
- **July 10:** Submit position changes (FTE, transfer, add/remove differential, etc.) for an effective date of no later than July 21st
- **July 30:** Final day for **routine (non-patient care) supplies requisitions**.
- **July 31:** All service, contract and standing orders in Allscripts will end
- **Aug 1:** Final day for all patient care related supply **orders**.
- **Aug 3:** Submit and approve **expense reports**

Requests made after this time will need to be initiated and approved in Workday or UKG after go-live

Further details will be shared with WMCGH employees next week!

Register your WMC GH team members for Epic training

People managers will begin the process of registering your team members for Epic training through an onsite registration concierge starting the week of June 24 for WMC GH team members and later in July for AU team members

Our Moments that Matter

Steps to Register Your Team for Epic Training

1. Sign up for a registration session

- People managers received an email from a registration specialist to sign up for a timeslot starting Monday, June 24.

2. Prepare for your registration session

- Review the **End User Training Assignment List** you received via email to understand the current training assignments for each team member.
- Review the **Epic Training Course Catalog** for more information on the Epic courses and training tracks for each department and role.
- Review the **Epic Training Class Schedule** for the full schedule of the dates and times that each course will be offered.
- Gather **class time preferences** from your team members.

3. Attend your registration session

- Bring your team roster and class time preferences.
- Validate your team members, roles, and training assignments; Begin registering your CyberSTARs for training.

4. Work directly with staff to register for training

- Return to your teams and work directly with your staff to register them for classes in HealthStream.

Please refer to the email you received about registration for more details

Reach out to Epictraining@wellstar.org if you have any questions.

Epic Training and Support: We are here to help you!

You can find support for Epic in different ways throughout the implementation process.

Our Moments that Matter

Pre Go-Live

Now – October 4

Epic Training

- Epic training will take place from August 5 to September 27
- Training will consist of e-learnings and in-person sessions applicable to your role(s)
- Training will cover basic Epic functionality and application-specific workflows, and give learners the opportunity for guided practice in the playground environment

User Settings Lab

- Physicians and APPs will attend User Settings Labs with Epic trainers and CIS in order to:
 - Ensure appropriate system access
 - Receive guidance in personalizing the Epic production system to support their role

Use your CyberSTARs

Superusers who provide support and guidance to their peers

- Ask any questions about your training

Go-Live

October 5 – 19

At-The-Elbow (ATE) Support

- Get onsite, hands-on support from dedicated resources with Epic expertise during go-live and the two weeks following

- Seek support with basic and 'how-to' questions related to Epic and associated workflows
- Obtain help to troubleshoot any issues
- Raise issues or concerns to communicate to leadership
- Connect to additional go-live resources

Post Go-Live

October 20 – Future

Pulse Checks

- Provide your feedback through targeted team check-ins so we can make improvements to your experience along the way

Support Materials

- Reference answers to high volume questions in tip-sheets and FAQs
- Share input into future Epic enhancements

- Continue to connect with your CyberSTAR for any matter related to your Epic experience
